

City of Santa Barbara California

CITY OF SANTA BARBARA STAFF HEARING OFFICER

RESOLUTION NO. 023-18
1130 DEL SOL AVENUE
COASTAL DEVELOPMENT PERMIT
JUNE 20, 2018

APPLICATION OF JAMES BELL, APPLICANT FOR STEVEN AND NATASHA CAMPBELL, PROPERTY OWNERS AT 1130 DEL SOL AVENUE, APN 045-062-017, E-3/SD-3 SINGLE FAMILY RESIDENTIAL AND COASTAL OVERLAY ZONES, LOCAL COASTAL PROGRAM LAND USE PLAN DESIGNATION: RESIDENTIAL 5 UNITS PER ACRE (MST2018-00067 AND CDP2018-00006)

The project proposes to convert an existing 347 square foot workshop accessory space to an accessory dwelling unit, and permit the as-built 13 square foot shower enclosure. The proposal addresses violations for unpermitted alterations to the laundry and bathroom area of the accessory building listed in enforcement case ENF2017-01213. The proposed accessory dwelling unit is attached to an existing 312 square foot one car garage and 109 square foot workshop located at the rear of the site, detached from the 1,031 square foot primary residence at the front of the site. The project is located on an 11,582 square foot lot in the Non-Appealable Jurisdiction of the Coastal Zone. Additional parking is not required or proposed.

Pursuant to SBMC 28.44.110, when a proposed development only involves the addition of a secondary dwelling unit to an existing single-family residence, the application shall be reviewed by the Staff Hearing Officer without a public hearing in accordance with subdivision (j) of Government Code Section 65852.2. The Staff Hearing Officer shall not issue a decision on the application until at least ten (10) calendar days after notice has been provided. The Staff Hearing Officer may receive and consider written comments from the public, but without a public hearing. The decision will be the final action of the City (i.e., not appealable).

The discretionary application required for this project is a Coastal Development Permit (CDP2018-00006) for a detached accessory dwelling unit (SBMC §28.44.060) in the Non-Appealable Jurisdiction of the City's Coastal Zone.

The Environmental Analyst has determined that the project is exempt from further environmental review pursuant to the California Environmental Quality Act Guidelines Section 15303, New Construction or Conversion of Small Structures.

WHEREAS, Pursuant to SBMC §28.44.110 the Staff Hearing Officer announced a decision on the above application.

WHEREAS, the following exhibits were presented for the record:

1. Staff Report with Attachments, June 13, 2018
2. Site Plans

NOW, THEREFORE BE IT RESOLVED that the City Staff Hearing Officer:

I. Approved the subject application, making the following findings and determinations:

COASTAL DEVELOPMENT PERMIT (SBMC §28.44.150)

A. California Coastal Act

The project is consistent with policies of the California Coastal Act because it is located where adequate public services are provided and will not have an adverse effect on coastal resources, or the scenic and visual qualities of coastal areas and is visually compatible with the character of the surrounding area. Parking for the existing residence will be maintained and a requirement to provide parking for the new unit is precluded by Government Code §65852.2 as it is proposed within an existing structure, and is also located within one quarter mile of a bus stop.

B. Local Coastal Plan

The project is consistent with all applicable policies of the City's Local Coastal Plan because it is compatible with the prevailing character of the established neighborhood; it would not result in an overburdening of public circulation and/or on-street parking resources of existing residential neighborhoods because no new square footage is being added to the existing habitable building and the existing one-car garage will be maintained. The type of housing provided by the new, modest sized accessory dwelling unit will be more affordable by design. The addition of this dwelling unit within the existing building will not inhibit existing views to, from or along the ocean or any scenic coastal areas.

II. Said approval is subject to the following conditions:

A. Order of Development. In order to accomplish the proposed development, the following steps shall occur in the order identified:

1. Pay Land Development Team Recovery Fee (30% of all planning fees, as calculated by staff) at time of building permit application.
2. Submit an application for and obtain a Building Permit (BLD) for construction of approved development and complete said development.
3. Record any required documents prior to zoning clearance of the building permit.

Details on implementation of these steps are provided throughout the conditions of approval.

B. Requirements Prior to Permit Issuance. The Owner shall submit the following, or evidence of completion of the following, for review and approval by the Department listed below prior to the issuance of any permit for the project. Please note that these conditions are in addition to the standard submittal requirements for each department.

1. Public Works Department.

- a. **Water Rights Assignment Agreement.** The Owner shall assign to the City of Santa Barbara the exclusive right to extract ground water from

under the Real Property in an *Agreement Assigning Water Extraction Rights*. Engineering Division Staff prepares said agreement for the Owner's signature.

2. **Community Development Department.**

- a. **Recorded Covenant.** The property owner shall submit a completed and executed Accessory Dwelling Unit Covenant after the initial building permit submittal but prior to permit issuance. When the rest of the application is deemed acceptable and the building permit is ready to issue, the City will record the Covenant. Once the Covenant is recorded, a building permit will be issued for the project, and construction may commence.

The Covenant shall state the following: The Accessory Dwelling Unit shall not be sold separately from the primary residential unit; shall not be rented for less than 31 consecutive days; and, the owner of the property shall occupy either the Primary Residential Unit or the Accessory Dwelling Unit as his or her primary residence.

- b. **Conditions on Plans/Signatures.** The final Resolution shall be provided on a full size drawing sheet as part of the drawing sets. A statement shall also be placed on the sheet as follows:

The undersigned have read and understand the required conditions, and agree to abide by any and all conditions which are their usual and customary responsibility to perform, and which are within their authority to perform.

Signed:

_____ Property Owner	_____ Date
-------------------------	---------------

_____ Contractor	_____ Date	_____ License No.
---------------------	---------------	----------------------

_____ Architect	_____ Date	_____ License No.
--------------------	---------------	----------------------

_____ Engineer	_____ Date	_____ License No.
-------------------	---------------	----------------------

- C. **Construction Implementation Requirements.** All of these construction requirements shall be carried out in the field by the Owner and/or Contractor for the duration of the project construction, including demolition and grading.

1. **Construction Contact Sign.** Immediately after Building permit issuance, signage shall be posted at the points of entry to the site that list the contractors name and telephone numbers to assist Building Inspectors and Police Officers in

the enforcement of the conditions of approval. Said sign shall not exceed six feet in height from the ground if it is free-standing or placed on a fence. It shall not exceed six square feet if in a single family zone.

2. **Construction Storage/Staging.** Construction vehicle/ equipment/ materials storage and staging shall be done on-site. No parking or storage shall be permitted within the public right-of-way, unless specifically permitted by the Public Works Director with a Public Works permit.

D. **Prior to Certificate of Occupancy.** Prior to issuance of the Certificate of Occupancy, the Owner of the Real Property shall complete the following:

1. **Repair Damaged Public Improvements.** Repair any public improvements (curbs, gutters, sidewalks, roadways, etc.) or property damaged by construction subject to the review and approval of the Public Works Department per SBMC §22.60. Where tree roots are the cause of the damage, the roots shall be pruned under the direction of a qualified arborist.

E. **General Conditions.**

1. **Compliance with Requirements.** All requirements of the City of Santa Barbara and any other applicable requirements of any law or agency of the State and/or any government entity or District shall be met. This includes, but is not limited to, the Endangered Species Act of 1973 [ESA] and any amendments thereto (16 U.S.C. § 1531 et seq.), the 1979 Air Quality Attainment Plan, and the California Code of Regulations.
2. **Approval Limitations.**
 - a. The conditions of this approval supersede all conflicting notations, specifications, dimensions, and the like which may be shown on submitted plans.
 - b. All buildings, roadways, parking areas and other features shall be located substantially as shown on the plans approved by the Staff Hearing Officer.
 - c. Any deviations from the project description, approved plans or conditions must be reviewed and approved by the City, in accordance with the Planning Commission Guidelines. Deviations may require changes to the permit and/or further environmental review. Deviations without the above-described approval will constitute a violation of permit approval.

III. NOTICE OF COASTAL DEVELOPMENT PERMIT TIME LIMITS:

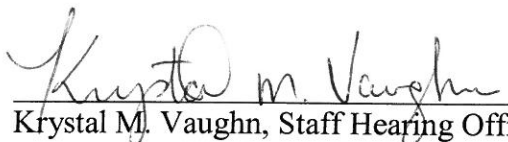

The Staff Hearing Officer action approving the Coastal Development Permit shall expire two (2) years from the date of final action upon the application, per Santa Barbara Municipal Code §28.44.230, unless:

1. Otherwise explicitly modified by conditions of approval for the Coastal Development Permit.

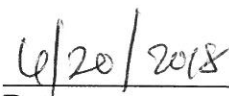

2. A Building Permit for the work authorized by the Coastal Development Permit is issued prior to the expiration date of the approval.
3. The Community Development Director grants an extension of the Coastal Development Permit approval. The Community Development Director may grant up to three (3) one-year extensions of the Coastal Development Permit approval. Each extension may be granted upon the Director finding that: (i) the development continues to conform to the Local Coastal Program, (ii) the applicant has demonstrated due diligence in completing the development, and (iii) there are no changed circumstances that affect the consistency of the development with the General Plan or any other applicable ordinances, resolutions, or other laws.

This motion was passed and adopted on the 20th day of June, 2018 by the Staff Hearing Officer of the City of Santa Barbara.

I hereby certify that this Resolution correctly reflects the action taken by the City of Santa Barbara Staff Hearing Officer at its meeting of the above date.

Krystal M. Vaughn, Staff Hearing Officer Secretary

Date

PLEASE BE ADVISED:

1. This action of the Staff Hearing Officer can be appealed to the Planning Commission within ten (10) days after the date the action was taken by the Staff Hearing Officer.
2. If the scope of work exceeds the extent described in the Modification request or that which was represented to the Staff Hearing Officer at the public hearing, it may render the Staff Hearing Officer approval null and void.
3. If you have any existing zoning violations on the property, other than those included in the conditions above, they must be corrected within thirty (30) days of this action.
4. **PLEASE NOTE: A copy of this resolution shall be reproduced on the first sheet of the drawings submitted with the application for a building permit.** The location, size and design of the construction proposed in the application for the building permit shall not deviate from the location, size and design of construction approved in this modification.
